

See what's new...

A unique selection of exciting M-BraCup Innovations
with special materials that celebrates current
trends!

Fit it! Feel it! Love it!

Dear customer,

since „Wonderbra“, MUEHLMEIER is operating on the forefront of innovative BraCup development.

MUEHLMEIER has the BraCup solutions for modern women to offer **breast support in comfy garments**. **Ultrafine soft and brushed cover fabrics for cups** can upgrade every foam BraCup to feel more cosy and enhance the well-being. For bigger breast sizes there stand ready various **WireFree BraCups** which combine needed hold and comfort in balance. **Breast-Soothing BraCups** are the new key to the customer.

Until we can meet face-to-face again during international fairs, we will regularly inform you and introduce you to the highlights of our newest M-TEC BraCup developments.

Please contact us for available size range, purchase conditions and your free samples:
