

**Fabulous fit, shape boosting support and comfort -
Discover the new SPACER styles with 100% PES
PushUp effect and more...!
Fit it! Feel it! Love it!**

Dear customer,

feeling comfortable is one of the most (if not the most) important thing when it comes to lingerie. As something we wear all day, everyday on our skin, investing in comfortable lingerie is a must.

The new sexy and charming PES M-BraCup Innovations by MUEHLMEIER provide **incredible comfort, breathability and softness with amazing support and BreastSoothing uplift**. The free of foam concepts secure **white stability with no yellowing** effect. The convincing formula behind this unique new collection of M-BraCups is combining the benefits of SPACER fabric with 100% recycled PES fibre padding. **By this the environmental footprint of the bra with its innovative design & function is reduced.**

Discover the highlights of our new innovative M-TEC BraCup collection with 100% PES:
